- **2/4/22 IMPORTANT NOTICE: Deed Back Program put on Hold until May 25, 2022.**

For all Edgewater Beach Resort Owners: the Winter Newsletter sparked many questions about a special assessment in 2022, along with inquiries about the Edgewater Beach Resort deed back program.

The Annual Edgewater Beach Home Owners meeting, scheduled for May 7, 2022 will be the time for the Trustees and VRI Management to answer many of your questions pertaining to both topics.

We encourage all owners to attend the meeting, obtain all the facts, and then make an informed decision.

To that end all future deed back requests will be put on hold until May 25, 2022.

Thank you for your cooperation and understanding!
