

Edgewater Beach Resort NEWS

F A L L 2 0 2 3

Message from the Board of Trustees

Hi Everyone! As fall begins, we hope this finds you well and that you had an enjoyable summer. This early Fall Newsletter has essentially replaced our Summer Newsletter. In an effort to provide you with the most up to date information, the Board has elected to delay issuing what was previously known as the Summer Newsletter. The Winter Newsletter will still be issued as usual in January.

The Edgewater has had a very busy summer and much has happened since we last wrote to you.

As a result of the recent election, the Board welcomed Steve Castinetti and new Board member Jean McCrave Baxter. Each has been elected to serve a three-year term. Thanks to all the owners who took the time to vote. We got to meet both of them in person for the first time when the Board held its August meeting at VRI's offices in Hyannis. It was the Board's first in person meeting since February 2020. The Board will meet in person again in October at the Resort but will then return to meeting via Zoom at least during the cold weather months.

By now, your 2024 maintenance fee bill has arrived with an approximate 4.2% increase in fees. As you know, costs have gone up for everyone including The Edgewater. In addition, much to our dismay, despite lowering our expenses by finally taking back all of the former developer's outstanding inventory and working with Capital who is in the process of taking over 150 units/weeks on which they'll be paying maintenance fees in 2024, costs have gone up a lot more than anticipated. As of April 1st, our insurance premiums increased almost 300% and more than 200 more owners have now become delinquent making our delinquencies reach over 1000 units/weeks. We're

continually monitoring expenses, tightening our belts wherever and whenever we can and continually looking for even more ways to help stabilize The Edgewater's financial situation and appreciate your support.

Lots of questions have come up since Capital began its sales program. It got off to a bit of a rocky start but through negotiation, compromise and a lot of teamwork, most of the issues have been resolved. Meanwhile, we continue to hear the same questions over and over again. So rather than address them here, we have prepared a number of FAQ's for your review later in this newsletter.

Questions have also come up about some long-standing policies and practices, i.e., check-in time, Day Use, and more. So we have addressed those, too, by the GM and in the FAQ's included in this newsletter.

Please take the time to review all of the FAQ's and the other information available here and in the Owners Section on our website, www.edgewatercapecodma.com. Check out a new addition to our website, an easy link via Owner Connect to the VRI website where you'll find information about your account and can pay your maintenance fee online. Float owners can make their reservations online there, too.

If you have any questions for the Board, we can be reached at board@edgewatercapecodma.com. We still strive as always to be transparent and up front with all of you and respond to all who write to us.

Thank you all for your continuing support.

On behalf of the Edgewater Board of Trustees,
Marcia Svetkey, Chairperson

Assessment Billing and Collection Policy

Each year the ownership numbers change, and this year is no different. Edgewater consists of 76 units (14 studio units, 49 one-bedroom units and only 13 two-bedroom units). Since Edgewater is open and operational for 52 weeks each year that means if the Resort was completely sold out, there would be 3,952 owners.

But like most New England timeshare properties there is not an owner for all weeks. The fact that people like to go south in the winter holds true, and most off seasons there is inventory for sale. Currently there are 750 weeks owned collectively by the Edgewater Beach Resort Trust, the Edgewater's Owners Association.

The Management Team and the Board are working with VRI Americas new parent company, Capital Vacations, in a major sales program to sell this Association owned inventory. The three-year goal is to have over 500 new owners, and we are off to a good start; in 2024 we will have accomplished the first 150.

There are 3,202 registered owners as of September 2023. There are two Vacation Clubs, InnSeason Vacation Club with 296 units/weeks and soon Capital Vacations Club with 150 units/weeks. This leaves the Resort with 2,756 individual owners. Of that number, there are over 1000 owners who are behind on their maintenance fee payments.

Each year when the owners receive their maintenance fee bills, the Board approved Assessment Billing and Collection Policy is included. The ABC Policy is sent to the Edgewater Owners with their bills, and John Verity, GM, and his team follow the policy. The staff call owners, remind them of check-in dates, and if a balance is still due, but once several reminders go out to the owners who have not yet paid, the accounts are turned over to collections and the owners' reservations are cancelled and won't be reinstated until the account is paid.

Owners are encouraged to call the General Manager or Front Desk staff, communicate with them ahead of due dates and set up appropriate and approved payment plans. The goal is to keep owners returning each year for another great escape to Cape Cod and the beaches here in Dennis Port, but the financial support of each owner is needed in order to fulfill those requests.

Please work with us and make sure to pay your maintenance fees upon receipt or call to set up an approved payment plan.

2023 Annual Owners Meeting

The 13th Annual Owners Meeting was held via Zoom on Saturday May 6, 2023. We want to thank those who took the time to attend but we hoped more owners would participate, especially since you are able to join from the comfort of your home, whether you live in Canada or in California or right here in Massachusetts. The Association has over 2,000 individual owners living in the US and abroad but only 34 owners signed in to find out the latest resort news.

Please try and join us next year on Saturday, May 4, 2024 at 10:00 a.m. The meeting will be on Zoom again. For those interested in reading about our 2023 meeting in detail, please see the minutes online in the Owners section of our website at www.edgewatercapecodma.com.

General Financial Highlights from the 2023 Annual Meeting

Michael McManus, VRI Regional Director, Resort Operations, assigned to The Edgewater, reviewed the year end December 31, 2022, Financial Statements. Michael reported that 72.4% of the total homeowners paid their 2022 maintenance fees. As of April 30, 2023, 69.3% of 2023 maintenance fees were collected vs. 72.4% in the previous year. Delinquent owners were being blocked from using their week(s), and their intervals were placed in the rental program. Michael reported that rental of Association owned weeks and delinquent intervals brought in a total of \$214,279 in revenues in 2022.

Michael reported that the Board has utilized a number of federal programs over the past few years including the following:

- Paycheck Protection Program in the amount of \$167,025.
- Paycheck Protection Program in the amount of \$134,249.
- Economic Injury Disaster Loan (EIDL), in the amount of \$121,000.

Both Paycheck Protection Program loans have been forgiven, but the EIDL loan is still being repaid.

Michael reviewed the Special Assessment Billing. The total amount billed in May of 2022 was \$3,273,870 and was billed to over 3,000 interval owners

including the former developer NERM. Additional details are as follows:

- Owners were offered a discount if full payment was made by May 15, 2022, or to pay half in 2022 and the other half by May 15th in 2023.
- \$1,838,211 in Special Assessment funds were collected by December 31, 2022.
- \$149,407 in one-time up front discounts were issued to owners who paid in full by May 15, 2022.
- \$1,002,132 was spent in 2022 on operation shortfalls, which allowed The Edgewater to remain open.
- \$760,604 was spent on building, structural, and physical improvement projects. See General Manager's Report here and in the Annual Meeting Minutes for more information. The balance available projected for future projects is \$350,000.
- On January 31, 2023, partial payments were collected from some owners. The rest were due by May 15, 2023.

Michael McManus reported that an independent financial review is completed each year by a third-party independent company, DePaola, Begg & Associates, P.C. The review is made available and posted on the Edgewater's website for owners to view. Michael reviewed some of the general notes which were in the 2021 report.

Stay Connected Year Round

Go to the Owners section at www.edgewatercapecodma.com to keep up to date on Edgewater news, review Board meeting minutes, resort calendars, newsletters, resort updates, and other documents to keep you informed about your favorite Cape Cod vacation destination. You can also link there via Owner Connect to myaccount.vriresorts.com to pay your maintenance fees and make reservations if you are a float owner.

Receive Email Updates via Constant Contact, etc.

In the event of severe weather conditions and/or other issues, our Team at Edgewater would like to be able to contact owners. Please make sure to sign up with the Front Desk, provide your up-to-date contact information, to get Resort updates, travel advisories, and information including on special events/local attractions. Having your up-to-date email address on file with Front Office Manager, Taylor Ford, will allow you to get live updates as the need arises or when projects are under way. Check out The Edgewater's social media account on Facebook to get updates there, too.

Social media sites and other methods allow us to communicate with future/upcoming guests and owners, promote our business, and send out information about local social events, rental discounts, and other Resort news from Management and the Board. Sign up or verify that your most current email address is on file by sending an email to: info@edgewatercapecodma.com.

Capital Vacations and Capital Sales Team

Over the past year our new partner Capital Vacations has held hundreds of offsite sales meetings with owners, renters and exchange guests here on Cape Cod at Sea Mist Resort in Mashpee and Holly Tree in Yarmouth in an effort to grow the owner base at The Edgewater and in the Capital Vacation Club.

With the commitment of Capital Vacations and the support of the Edgewater Board, there will be 150 more fee paying intervals in 2024 represented by the Capital Vacation Club. The Vacation Club members will be visiting the Resort year-round and contributing over \$150,000 in maintenance fees to the 2024 budget paid by the Capital Vacation Club.

This has opened a new opportunity for The Edgewater, and the plan is to continue to grow over the next three years with the help of the Capital Vacations Sales Team. In addition to the guaranteed sales, Capital is working to grow its rental markets over the next three years. This will hopefully allow Edgewater to grow the owner base by attracting new owners rather than downsize.

Over the past 14 years since the owners took control, the Board has worked to maintain The Edgewater for all of its owners, making the hard decisions. Yearly maintenance fees were raised, as necessary, to maintain the property, special assessments were imposed to refurbish rooms, rebuild the pools, and more, and the doors were kept open during the pandemic. All of this was done to allow owners an escape from the trials and tribulations of daily life, travel to the Cape to be on the beach in Dennis Port and create special memories with loved ones.

The Board of Trustees will continue with its mission to make sure The Edgewater remains the best place to vacation. Toward that end, the Board looks forward to working with Capital Vacations and its Sales Team to grow the Edgewater family.

FAQ's Regarding Capital Vacations

Q: What/Who is Capital Vacations?

A: Capital Vacations is a sales and marketing organization.

Q: Is Capital EBR's new management company?

A: No. Despite what Capital's sales reps have been saying and despite what is on the latest maintenance fee bills, VRI is still EBR's management company and has been since 2010. Capital purchased VRI in 2022.

Q: Is Capital taking over The Edgewater?

A: No. The Edgewater is still controlled by an Association consisting of all The Edgewater's owners, approximately 3000 owners at this writing. This Association of owners or Owners Association is overseen by the volunteer Board of Trustees made up of 5 Edgewater owners who are elected by the owners to serve on the Board and run The Edgewater on behalf of all The Edgewater's owners.

Q: What is Capital doing at The Edgewater?

A: Capital will ultimately be taking over 600 units/weeks over the course of the next 3 years. These 600 longtime nonfee producing units/weeks are Edgewater units/weeks owned by the Owners Association and by delinquent owners. Capital will become the owner of those 600 units/weeks which will become part of the Capital Vacation Club. Capital will be like any other Edgewater owner, paying the maintenance fees on these 600 units/weeks starting with 150 units/weeks in 2024. These units/weeks will be used by members of the Capital Vacation Club. In addition, Capital is helping enhance The Edgewater's rental program.

Q: I got a text or a call or an email from the EBR Concierge Desk, from Ana or Al, or from a Capital representative inviting me to an owner's meeting. Is this just another scam?

continued on page 5...

A: All of us owners get calls and letters from time to time inviting us to what they refer to as an owner's meeting, an update, they say, about the resort. If the call/text is from someone at the EBR Concierge Desk and/or Capital including Ana and Al, the call is legitimate, an invitation for you, an Edgewater owner, to go listen to their sales presentation inviting you to join the Capital Vacations Club.

Q: Why call it an owner's meeting? Should I go? Is it like the Annual Owners Meeting or like the weekly owners' meetings that used to be held weekly onsite in the lobby?

A: It's a meeting with individual Edgewater owners where Capital sales members tell you all about the benefits of joining the Capital Vacation Club. Your attendance at the meeting and joining the Capital Vacation Club is totally optional. Weekly owners' meetings are no longer being held in the lobby, but the Annual Owners Meeting is held every year, the first weekend in May. The Annual Meeting is where you should go to hear all the resort updates from the Board, the General Manager and VRI and get answers to any questions you may have.

FAQ's Regarding Other Important Stuff

Q: Why can't I check in before 4 p.m.? I can see there's no one working in the unit. So it must be ready, right?

A: Every Saturday, especially during the summer months, all 76 units at The Edgewater and 6 units at Sea Winds II, have to be cleaned and then inspected by The Edgewater's staff between 10 a.m. and 4 p.m. So 82 units have to be cleaned and inspected before check ins can begin again. The time between check out, at 10 a.m. and check in at 4 p.m. is not only used to clean the units but to make any necessary fixes, too. So plan your arrival accordingly. If you arrive earlier than 4 p.m., you can let the Front Desk know you have arrived and if your unit is not yet available, they will be glad to take your name and number and let you know when it is. There is NO entitlement to an early check in. Hounding the staff, being nasty to the staff, interfering with the staff is not acceptable and will NOT be tolerated and won't get you into your unit any earlier.

Q: Sea Winds II? What/where is Sea Winds II and what does the Edgewater have to do it?

A: Sea Winds II is a small, 6 unit, timeshare on Olde Wharf Rd. in Dennis Port. For a number of years The Edgewater has been under contract with Sea Winds II to provide a variety of services to their owners and guests including, check in/out, maintenance, housekeeping, etc.

Q: Is Day Use still available to Edgewater owners?

A: Yes, but you must: 1. Call ahead to ask if the resort is available for day use on the day you hope to come onsite for the day. To ensure the safety of all those onsite, the GM has been delegated the authority to not allow day use during those times when the resort is full up, typically in July/August; 2. You must sign in at the Front Desk and get a parking tag; and, 3. The Edgewater owner must be present.

Q: Is the 25% rental discount still available to owners?

A: Yes, but there are exceptions. To maximize profits to owners renting out their units, if you are placed in another owner's unit, the discount has been lowered to 15% per owners' requests. Also, management has discretion to lower the percentage of the discount depending on a number of factors, including, but not limited to, rental units available, time of year, etc., to ensure maximum profit to the Resort.

Q: Why should I go to the Annual Owners Meeting?

A: In addition to all the mailings, Newsletters, notices, etc., sent to you during the year, the Annual Owners Meeting is your golden opportunity to hear detailed information about what is happening at and with The Edgewater. The meeting is held on the first Saturday every May starting at 10:00 a.m. and gives you the opportunity to not only learn the facts but also directly ask questions of the Board, the GM and VRI. The next meeting will be held on Saturday, May 4, 2024, at 10:00 a.m., via Zoom. We hope to see you there!

Online Services for Owners on VRI Americas Website (VRIResorts.com)

Having an owner account allows you to see your account balance, your last payment, and your upcoming reservations. You can also make payments by credit card.

Creating an account is something that you can do yourself on the VRI website (www.vriresorts.com). Before doing so, your email address must be on file with VRI and associated with each of your intervals (unit/weeks).

If you have not previously provided your email address to VRI, please call (866) 469-8222 or email memberservices@vriresorts.com and ask to have it associated with all your intervals (units/weeks).

Message from the General Manager

The summer season brought a mixture of weather to Cape Cod. The rain showers did not slow owners, guests, exchangers, and renters from coming to The Edgewater Beach Resort. We assembled an excellent team this year, and our staff has been doing a great job taking care of our guests and owners and going the extra mile to help everyone enjoy their vacation.

I want to take this opportunity to address numerous situations that continue to take place at the Resort.

The Resort has asked in the past for owners to bring a beach chair or two when they come as we simply do not have enough chairs for everyone when the Resort is full. This year we have 18 lounge chairs and 10 regular seating chairs available on a first come first served basis. When the 76 guest rooms are full, which is the case for the entire summer season, the amount we have is not nearly enough for every guest room. We ask that everyone help by bringing a few chairs of their own to use or mix and match, use an Edgewater-provided chair and one of their own, for example.

This year some of our guests/owners disconnected the heavy navy-blue umbrellas from our patio tables and outdoor pool area and brought them down to the beach. This is not acceptable as numerous things can and did happen as a result. Umbrellas are NOT to be taken from the tables. In one instance the umbrellas caught the wind and blew away hitting a guest/owner, causing them to have to go to the emergency room. Three other umbrellas were permanently damaged and left on the beach for our staff to find and throw out as they could not be

repaired which resulted in our having to purchase new umbrellas at expense to all of the owners. We also ask that if and when you bring your own umbrella, please make sure it is properly secured as the winds on Nantucket Sound can and do build up quickly which causes unsecured or improperly secured umbrellas or covers to fly up and away and potentially injure other beach goers.

Be sure to review and follow the posted rules at the pools. Numerous times this year children under the age of 16 were using the pools and spa without adult supervision. This is against The Edgewater's rules. It is also a violation of the Town of Dennis health code for semi-public swimming pools. Continued abuse could result in injury and the Town withdrawing its approval/certification for use of our pools. Please use our pools and enjoy them but we remind everyone that all children under the age of 16 must be accompanied by an adult. We also have had instances of pool users playing ball and rough housing especially in the indoor pool and spa. This is also against the rules. We ask that everybody using the pools/spa follow the posted rules so that everyone is safe. The pools and beach area can get very crowded on hot sunny days and when it rains, the indoor pool and spa can get crowded, so everyone must follow the rules. Please also remember that food and beverages, especially glass containers, glass cups, etc., are not permitted in any of our pool areas as well as on the beach. If you have a cooler on the beach, please use canned or plastic items, no glass so there's no risk for broken glass to harm anyone.

continued on page 7...

We have continued to experience a number of our

Saturday arrivals coming to the property before our posted check-in time of 4:00 p.m. and expecting to be able to check in before 4. Our entire team is required each Saturday to completely clean and prepare 76 guest rooms at Edgewater Beach Resort and 6 guest rooms at Sea Winds II Resort between the hours of 10:00 a.m. and 4:00 p.m. This requires coordination and extra effort by every staff member each week. This season we have experienced/witnessed angry inappropriate behavior when our Front Desk team tells incoming guests that we are unable to allow guests into their rooms early. Every effort is made to properly clean, disinfect, sanitize and fulfill maintenance tasks, make needed fixes, quickly and efficiently and inspect each unit. To ensure our standards are upheld, we are unable to grant early access. We ask that all owners please respect this check-in policy and please understand the Front Desk agents are unable to check you in before the team completes room preparations, and the unit is inspected.

Our maintenance team, which is managed by Andy Castro, is doing a great job and we ask that owners and guests please call or come to the Front Desk to report any maintenance or housekeeping issues so we can address them quickly and properly. Our team on Saturdays has noticed that many items that need attention have not been reported and are not being found until staff find them after 10:00 a.m. on check out day. Reporting all issues earlier in the week during your stay when they happen, when you see them, helps keep the property in better condition and lessens the large workload on Saturdays each week.

Over the years many of you have requested extra days and/or whole week rentals in addition to the week you own especially from weeks 24 through 40 to enhance your stay and accommodate family etc. The number of vacancies available has steadily decreased during these weeks while demand has continued to rise. Capital Vacations is currently engaged in an aggressive new sales/rental program along with our reservations team who have been marketing rentals and growing this segment of our business. All of these programs will help our overall financial picture, and we welcome their efforts, but it means less availability. Please understand that the rooms that used to be readily available to you for those extra stays are fewer and far between, and any open inventory is being utilized very quickly by these continuing efforts. The Resort does continue to have a Day Use program

whereby owners who are current with their fees can come use our pools, fitness center, courtyard, and beach. The procedure for doing this is any day user must first check in at the Front Desk, sign in, and receive a one-day parking pass. The General Manager reserves the right to suspend Day Use based upon occupancy. This will only be done when the property is full to capacity. Please call the Resort in advance to confirm Day Use is available on that day.

Special Assessment projects completed in 2022 and 2023 are as follows:

1. 12 sliding doors, shingles, deck above and stationary second floor windows replaced, installed Azek trim and side wall wrap and painted gray shingles.
2. Exterior painting and wood trim. Buildings included west, center, and east.
3. New A/C chiller in south ocean front building.
4. New commercial laundry equipment and room refurbishing.
5. Fitness center complete overhaul including new A/C heat system.
6. Pay down operation cash shortfall.
7. Resurface indoor pool and spa.
8. Roof replaced on south side of ocean front building.
9. New patio tables, chairs, and pool furniture.
10. Foreclosure completed on 173 NERM units.

Pending Special Assessment projects include:

1. West building roof replacement.
2. Front door and door lock replacement for all guest rooms.
3. Septic tank replacement.
4. 13 slider replacements, upper deck replacement with drainage, sidewalls, paint and trim.
5. New windows ocean front/south building on patio.

If you or someone you know are interested in buying and/or selling, please do not hesitate to look on our web site at the list of current units/weeks for sale. If you are interested, please contact John Verity at johnverity@edgewatercapecodma.com for more information.

Thank you for all your support.
